

THE RUSSIAN PETROCHEMICAL FORUM

31st International Specialized Exhibition
GAS. OIL. TECHNOLOGIES
 MAY 23-26 / UFA 2023

VENUE:
 VDNH EXPO UFA
 Exhibition Complex,
 Ufa City,
 Republic of Bashkortostan

BUSINESS PROGRAM SCHEDULE

Project dated May

MAY 23, TUESDAY

Venue:	9:00-9:30	9:30-10:00	10:00-10:30	10:30-11:00	11:00-11:30	11:30-12:00	12:00-12:30	12:30-13:00	13:00-13:30	13:30-14:00	14:00-14:30	14:30-15:00	15:00-15:30	15:00-16:00	16:00-16:30	16:30-17:00	17:00-17:30	17:30-18:00	
Floor 1	Registration of the Business Program Speakers and Delegates		Opening ceremony. Bypassing the exposition																
Conference Hall (300 seats)						PLENARY SESSION: TRANSFORMING THE PETROCHEMICAL INDUSTRY OF RUSSIA: NATIONAL PRIORITIES AND GROWTH AREAS			Break	Import Substitution and New Solutions in IT and Petrochemical Production Automation				Break	A New Basis for the Chemical Industry Development Until 2030				
Conference Hall 1 (55 seats)									Sampling Systems of Russia and Other Friendly Countries	Break	Transforming Marketing Outlets and Seeking New Business Partners			Break	Government Subsidies and Financial Support for the Oil and Gas Industry Bound by Sanctions				
Conference Hall 2 (85 seats)						Russian Software for Oil and Gas Machine Building and Service Enterprises			Break	Technological Sovereignty in Obtaining Geological Information. Challenges. Breakthroughs. Opportunities			Break	The Oil and Gas Industry of Russia: Focusing on Sustainable Development					
Case Zone (70 seats)						Round-Table Discussion: Lean Manufacturing. New Solutions for the Oil and Gas Industry			Break	Oil and Gas Processing and Petrochemicals. Technological Sovereignty of Russia			Break	Digital Transformation of Procurement Logistics in the Oil and Gas Industry					
Floor 2			Lean Manufacturing Championship Among the Chemical Industry Enterprises #LEAN 2023																
BUSINESS PROGRAM EVENTS AT SIDE VENUES:																			
Bashkiria Hotel 25/29, Lenin Street	International Research-to-Practice Conference: Practical Aspects of the Oilfield Chemistry (Sections No. 1, No. 2, No. 3)																		
The House of the Republic of Bashkortostan Government 46, Tukaeva Street																			Interdepartmental Commission Meeting on the Cooperation Partnership between the Republic of Bashkortostan and the Gazprom PJSC organizational units (by invitation only)

MAY 24, WEDNESDAY

Venue:	9:00-9:30	9:30-10:00	10:00-10:30	10:30-11:00	11:00-11:30	11:30-12:00	12:00-12:30	12:30-13:00	13:00-13:30	13:30-14:00	14:00-14:30	14:30-15:00	15:00-15:30	15:00-16:00	16:00-16:30	16:30-17:00	17:00-17:30	17:30-18:00	
Conference Hall (300 seats)	International Student Olympiad Competition: Chemical Technology Processes and Instruments				Break	Gas Trivia Quiz				Break	Hackathon: Engineering Technological Sovereignty of Russia								
Conference Hall 1 (55 seats)	Developing Indigenous Catalysts				Break	A New Stage in the Development of the Natural Gas Vehicle Market of the Republic of Bashkortostan. Key Focus and Opportunities				Break	Developing the Liquefied Natural Gas Industry in the Modern World: Trends and Opportunities				Break	Modern Eco-Technologies is a Force of Green Chemistry Development			
Conference Hall 2 (85 seats)	Integration Approach of Higher Education Institutions and Businesses for Professional Training: Ways to Develop Education Pursuant to the Message of the President of Russia				Break	Solutions for Technological Sovereignty in Oil and Gas Processing: New Trends in the Production of Basic Petrochemicals, Small-Tonnage and Speciality Chemicals				Break	Mutually Profitable Projects of Russian and Kazakh Enterprises in the Oil and Gas Industry: Development Opportunities				Break	Petroleum-Based Carbon Materials Technologies			
Case Zone (70 seats)	Relevant Issues of Small-Tonnage Chemistry Development				Break	Well Drilling Innovation Technologies. Oil and Natural Gas Field Development				Break	Modern Garment Manufacturing Technologies for the Oil and Gas Industry Enterprises								

BUSINESS PROGRAM EVENTS AT SIDE VENUES:

Bashkiria Hotel 25/29, Lenin Street	International Research-to-Practice Conference: Practical Aspects of the Oilfield Chemistry (Sections No. 4, No. 5)																	
Congress Hotel Sheraton Plaza Ufa 7, Tsiurupa Street	V.V. Laptev Research-to-Practice Conference: New Equipment and Technologies for Hard-To-Recover Hydrocarbon Reserves																	
Ufa State Petroleum Technological University 1, Kosmonavtov Street	The Association of Universities of Russia and Azerbaijan Retreat Session																	

MAY 25, THURSDAY

Venue:	9:00-9:30	9:30-10:00	10:00-10:30	10:30-11:00	11:00-11:30	11:30-12:00	12:00-12:30	12:30-13:00	13:00-13:30	13:30-14:00	14:00-14:30	14:30-15:00	15:00-15:30	15:00-16:00	16:00-16:30	16:30-17:00	17:00-17:30	17:30-18:00	
Conference Hall (300 seats)	XI International Research-to-Practice Conference: IT in the Fuel and Energy Industry. Issues and Solutions - IT'Days-2023							Break	Relevant Issues of the Oil and Gas Extraction Metrological Support				Break	Occupational Safety and Industrial Medicine. Experience and Opportunities					
Conference Hall 1 (55 seats)	Technological Sovereignty. Issues, Goals, Tasks				Break	Import-independence of Oil and Gas Industry Enterprises Bound by Sanctions				Break	Digital Twins of Industrial Processes				Break	Advantages of Considering Commercial Disputes in Arbitration			
Conference Hall 2 (85 seats)	OZNA Group Supplier Day										Break		Automation of the Oil and Gas Industry in Russia: Development Opportunities in the Modern World						
Case Zone (70 seats)	Relevant Issues of the Oil and Gas Equipment and Piping Rust Proofing				Break	Process Safety in the Oil and Gas Industry													

BUSINESS PROGRAM EVENTS AT SIDE VENUES:

Ufa University of Science and Technology 32, Z. Validi Street	Russian National Youth Research-to-Practice Conference: Geophysical Survey of the Oil-Bearing Strata
Bashkiria Hotel 25/29, Lenin Street	International Research-to-Practice Conference: Practical Aspects of the Oilfield Chemistry (Sections No. 6, No. 7)

MAY 26, FRIDAY

Venue:	9:00-9:30	9:30-10:00	10:00-10:30	10:30-11:00	11:00-11:30	11:30-12:00	12:00-12:30	12:30-13:00	13:00-13:30	13:30-14:00	14:00-14:30	14:30-15:00	15:00-15:30	15:00-16:00	16:00-16:30	16:30-17:00	17:00-17:30	17:30-18:00	
Conference Hall 1 (55 seats)	New Economics Chemistry Organized by: Ufa State Petroleum Technological University, Gaschem Engineering LLC, Institute of Petrochemical Processing JSC																		
Conference Hall 2 (85 seats)	Regional Hackathon: Developing Technology Solutions for Industrial Business Partners Organized by: Ufa State Petroleum Technological University																		
Floor 2					Registration of Awards Ceremony Participants		Awards Ceremony for the Republican Contest: Best Products from Bashkortostan in 2023												
Stage Floor 1											Awarding the Exhibition Participants with Diplomas								

BUSINESS PROGRAM EVENTS AT SIDE VENUES:

Ufa State Petroleum and Technological University, Building 2 8/3, Kosmonavtov Street	Transneft PJSC Day in the Ufa State Petroleum Technological University: Job Fair and HR Meeting for Students
